### ABOUT ME

I am a 25-year-old aspiring developer with a strong passion for programming and technology. I am eager to enhance my skills in software development, particularly in backend and frontend programming, while contributing to impactful projects. My goal is to continuously grow professionally and deliver innovative solutions that align with industry standards.

### PROFESSIONAL EXPERIENCE

#### IT Desktop Support Intern GeBBS Healthcare Solutions

Metro Manila

January 2025 - May 2025

- Deployed and set up desktop computers for new and existing users.
- Managed user accounts and permissions using Active Directory.
- Troubleshoot hardware, software, and network issues for end-users.
- Used Microsoft Excel to update and maintain IT asset inventory.
- Installed Windows OS and essential applications (e.g., MS Office, antivirus).

### EDUCATION
